## GEWO | Shoe Smash XG Pro

A replacement to the GEWO classic Smash S.A.S. It remains a stable, long-lasting table tennis shoe, which guarantees the player a stable position in any situation. The GEWO Smash XG Pro shoe is made of light material, which is breathable and offers a comfortable fit. The shoe is reinforced on the heel and on the sides so that the foot is optimally supported and does not slip away. Thanks to the mix of special nylon elements, the shoe adapts itself to the foot, encloses and protects him during fast movements during the table tennis game. The sole maximizes the direct feeling to the ground and additionally steams abrupt decelerations. The sole does not rub off and prevents slipping. The shoe has a modern, clean design and is suitable for every division. Cushioning, comfort and lateral support have been improved and support the performance and health of every table tennis player.

Colours: white/red  
 Sizes: 36 – 46

Item no.: 9468

€ 65.90

## GEWO | Flexx

The short version is suitable in the colder seasons as an ideal functional underwear under the normal GEWO shorts and offers optimal wearing comfort. But the breathable material of the sports and fitness trousers also ensures a dry feeling and unrestricted training in summer. The long variant can also be used as an ideal functional underwear. But this is mainly used in training. It allows maximum freedom of movement and the support function of the sports and fitness pants prevents tiredness in the muscles and the resulting loss of lightness in the game. All in all, the sports and fitness pants give the player an undisturbed playing experience.

**GEWO | CS Pro**

ITTF approved table. The 25mm special game surface allows a quick and even ball jump. The base is made of high quality metal and absolutely stable. Two fuses on each half of the table provide the necessary safety during assembly and disassembly. Since both halves of the table are mounted separately on the rollers, the GEWO CS PRO can be easily assembled and also saves space. The table is ideal for club and school sports.
